

SPS-E005-81

21 January 1981

MEMORANDUM FOR : Director of Data Processing

25X1 FROM : [REDACTED]  
Deputy Chief, Special Projects Staff/ODP

SUBJECT : Special Projects Staff Weekly Status  
Report for Week Ending 20 January 1981

1. SAFE

Several representatives of the Consolidated SAFE Project Office travelled to Los Angeles on 18 January to participate in the Initial Design Review for Increment 1, Block 1, of the SAFE System Design. The purpose of the 19-22 January review was to review TRW's progress in the design of the SAFE System at a detailed technical level.
